

4th april 2007

Previous meeting minutes

Northwest woodturning minutes 07/03/2007

Our first meeting was held at tom Campbell's workshop – thanks for the offer of use, and gratefully accepted.

The meeting was run on an informal basis with a discussion on wood varieties.

Tom gave us pieces of cherry to make pieces for the next meeting hopefully!

Brian has managed to get the aib to open our guilds bank account by the time of this meeting the guild should have its membership fees and the membership no's will be sent to members.

Stanley has asked me to ask the club if anyones interested in demonstrating turning in raphoe with the journeymen on the 12 th may next. The journeymen go round craft fairs demonstrating old crafts.
Contact Stanley riatt 0868251000

I have attended the Irish woodturners guild's annual general meeting since the last meeting

The committee was re-elected except the secretary who resigned due to personal commitments.

The guild council which was supposed to give a forum for chapters to access the executive has been abandoned due to lack of interest. Some tidying of the guild constitution was voted into place.

The guild is looking for a new journal editor so if anyones interested !!!!!!!!!!!!!

This is your club, ideas of subjects for future meetings gratefully received

Dates for your diary I have some booking forms if required
