Tom presided over the meeting and encouraged us to bring in our work so that we can start to improve our work (unless you like me

and spent all the time fixing your lathe !)

Several prizes were offered in a draw as encouragement to the assembled turners we hope to see the results at the next meeting.

Brian won a sycamore blank

Lawrence won a goodie bag of assorted pieces of

wood. We look forward to seeing the results.

Tom and Damien gave us demonstration of using the roughing gouge.
